**After 1 May 2020**

you must have a flu needle.

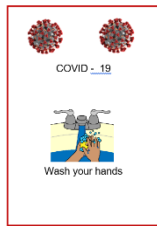

Ask your doctor for a letter. It needs to say you had the needle. Show the nursing home staff.

## Be safe in nursing homes

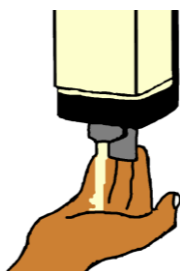

**Wash your hands.**

Use soap and water.

Read the fact sheet **How to wash your hands.**

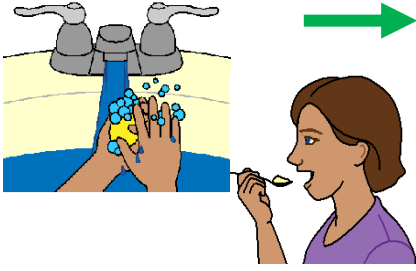

Dry your hands with paper towel

The nursing home may have a special hand cleaner. You must use it.

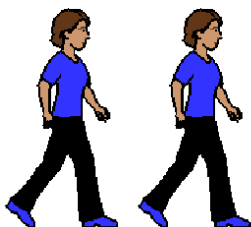

Wash your hands

- before you go to the nursing home
- before you touch food.

and

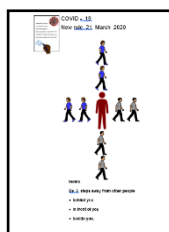

- after the toilet
- after eating
- after you use a tissue.

Stand 2 steps away from other people.

It is in every direction.

Read the poster

**We need to have space between us.**

Do **not** shake hands. Do **not** hug.

Do **not** kiss.

**We do sometimes cough.**

Cover your mouth when you cough.

Cough into your elbow like in this picture.

**We do sometimes sneeze.**

Use a tissue.

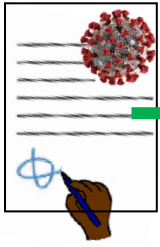

Put the tissue in the bin straight away.

**And**

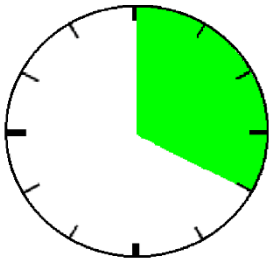

Wash your hands.

## More new rules in nursing homes

It must be a short visit only.

Only 2 more people can be in the room. Like

- the doctor and you

or

- you with your partner.

Only visit in the

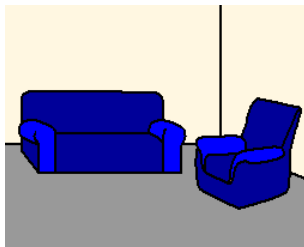

- persons room

or

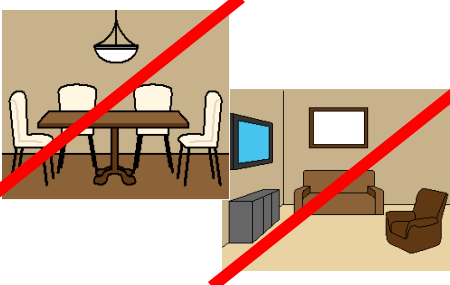

- an outside space. Like the garden

or

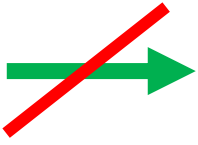

- a space the nursing home show you.
