Most Queensland students will do school at home.

Most Queensland students will do kinder at home.

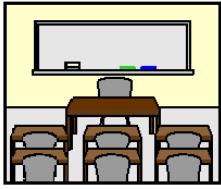

Some children may need to go to school.

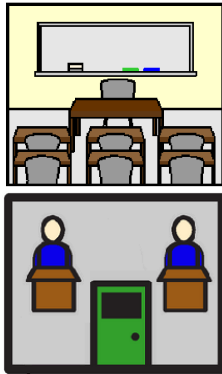

Like children

- whose mum works in a hospital
- whose dad works in the supermarket

or

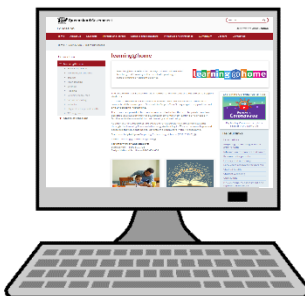

- who say school is the best place for them.

All schools and kinders will work like this. Like

- your local primary school
- your local high school
- Catholic schools
- independent schools.

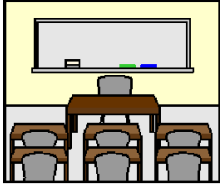

There is a Learn at Home website.

It may help you.

It is from the Education department.
