

## In Victoria

Wear a mask.

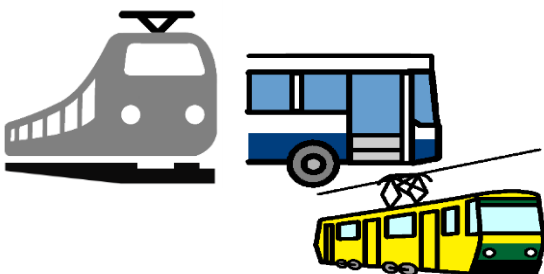

The Victorian Premier says it is a good idea.

It is for every one in Victoria.

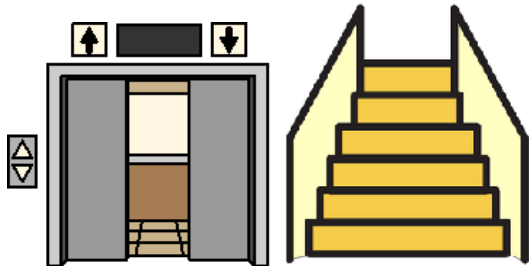

Wear a mask when there is **no** space. Like

- at the shops

- on the train
- on the bus
- on the tram.

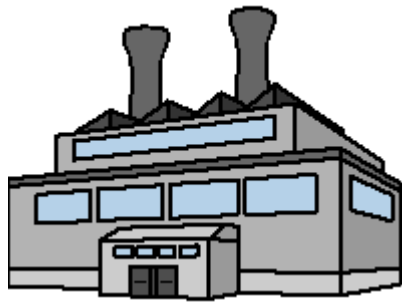

Other places may be

- in a lift
- on stairs
- in a shared hallway with other families.

Like in the housing towers.

It may also be at your work.
