

**In Victoria.**

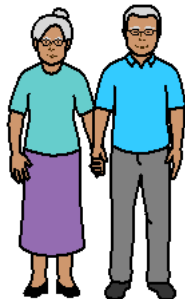

**Get a test at home.**

11 August 2020

You think you have signs of COVID - 19.

Go to page 4 to read about all the signs.

You can not leave your home. Like

- you have a disability.

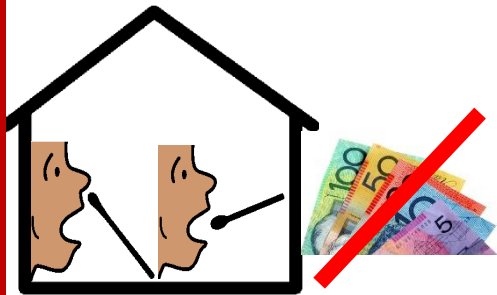

You can **not** get to a testing site

- you are old. It is hard to get out of home

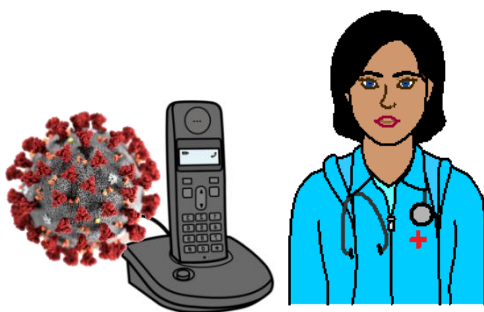

- you are always sick. It is not COVID - 19

- you are at high risk. You have cancer.

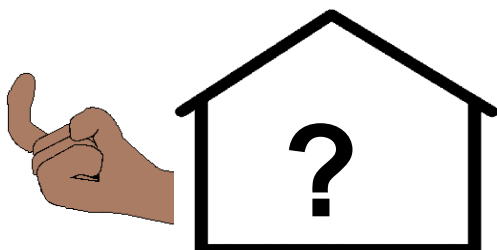

You can get a COVID - 19 test at home.

It is free.

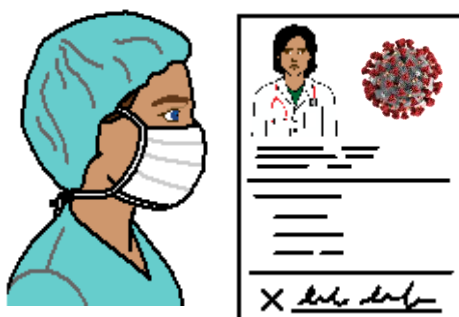

Call 1800 675 398.

You will talk to a nurse. The nurse will help work out what signs of COVID-- - 19 you have.

Ask the nurse will they come to your home?

The tester will come to your home.

You need get a doctors referral.

You are in Melbourne.

The tester will come with in 2 days. Like ask for a test on Monday. The tester will come

- later that day

or

- Tuesday

or

- Wednesday.

Sun	Mon	Tue	Wed	Thur	Fri	Sat
