Protecting and improving the nation's health

Coronavirus (COVID-19)
Keeping away from other people:
new rules to follow from 23 March 2020

COVID-19 is a new illness. Lots of people call it coronavirus. It can affect your lungs and your breathing.

1

Coronavirus (COVID-19): Keeping away from other people – new rules to follow from 23 March 2020

1. The first rule is that you must stay at home.
You should only leave your home if you **really need to** for one of the reasons listed further down in this guidance.

2. The second rule is that most shops, and other places in the community that we can manage without, should stay closed.

This includes:

- pubs and cinemas
- most shops and markets unless they sell food

This fact sheet was updated on 14 April 2020.

Can you visit family and friends in aged care facilities?

Older people are more at risk if they are infected with coronavirus.

Because of this, some aged care facilities might be closed to visitors.

Call the aged care facility you want to visit before you go there.

You can't visit an aged care facility if you:

- are sick
- are younger than 16 years old
- have just come back from overseas
- have been close to someone who has coronavirus.
