

A plan for Autism. In South Australia.

We call it the

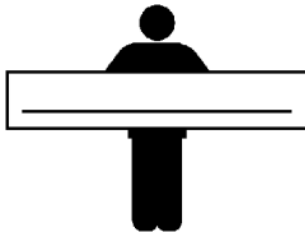

South Australia State Autism Strategy.

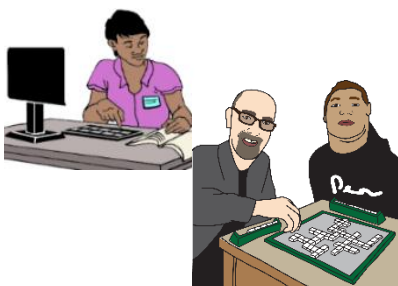

We are the Government of South
Australia. We say SA Government.

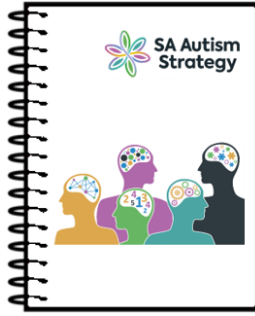

Autistic people are in all communities.
Lots of people are autistic.

Some people say they are autistic.
Some people say they have autism.
You can choose which words you like.

We want each person to be
part of their community.

We need a plan. We call it the South Australia State Autism Strategy.

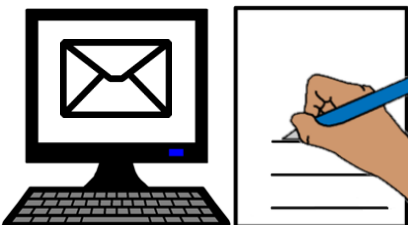

There are 4 books to read.

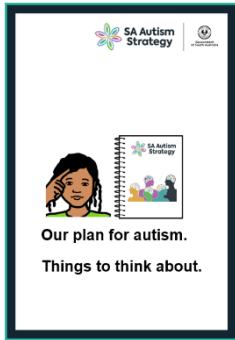

Book 1.
A plan for Autism.
In South Australia.
This book is about our plan.

And

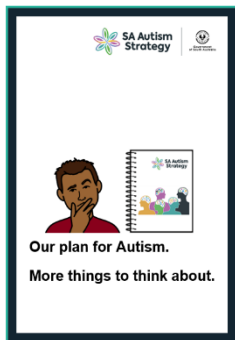

How to tell us what you think.

Book 2.

Our plan for Autism.

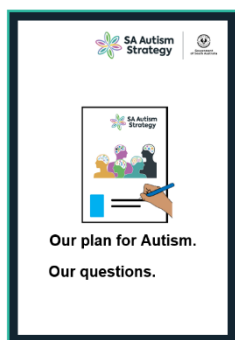

Things to think about.

Book 3.

Our plan for Autism.

More things to think about.

Book 4.

Our plan for Autism.

Our questions.

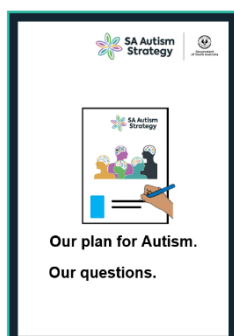

We want to hear from

- you
- your family.

Tell us what is

- good now
- ok now
- needs to change?

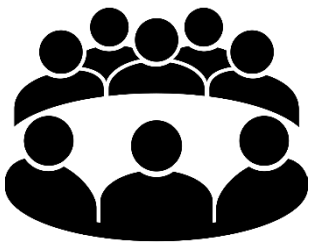

There is a book of questions. You can do

- all the questions
- only some questions.

We will listen to what you say.

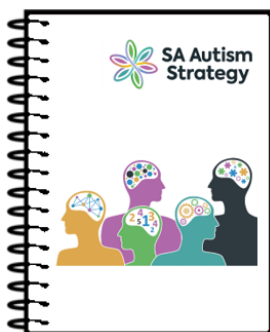

We talk to more people about the plan.

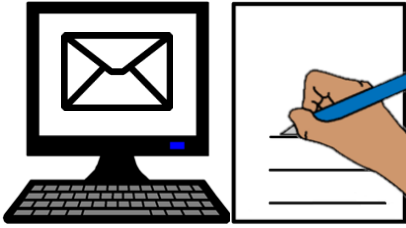

They tell us what they think.

We will think about all the ideas.

We will write a plan.

How to tell us what you think
