Electric cars. Electric buses

We want more

- electric cars
- electric buses.

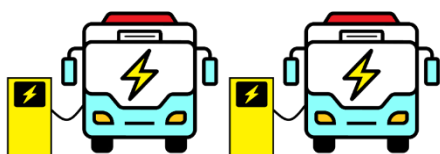

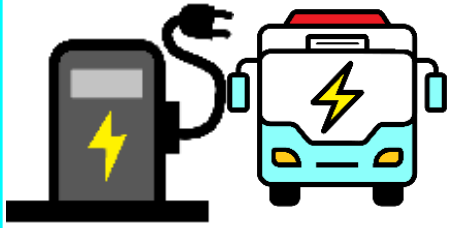

This will help Parramatta have less pollution.

By 2030 we want to

- have a lot of electric council cars
- use only electric buses.

Electric transport runs on batteries.

We will have more charging places.

Like we have 6 chargers at

- Parramatta Station Car Park
- Rydalmere Operations Centre.

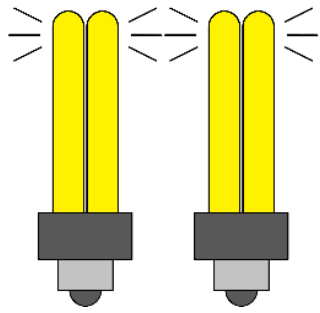

The council plans to have more charging places.

New buildings will have charging places too.

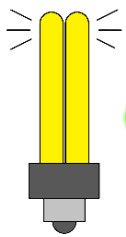

We want to put chargers on council land.

We are making new rules about this.

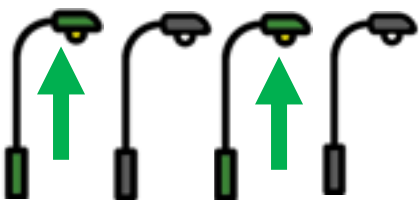

Lights

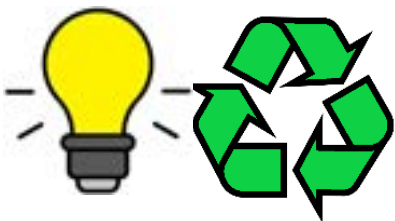

LED lights are better for the world.

They cost the council less to use too.

Lots of street lights in Parramatta have
LED lights now. There are more to change.

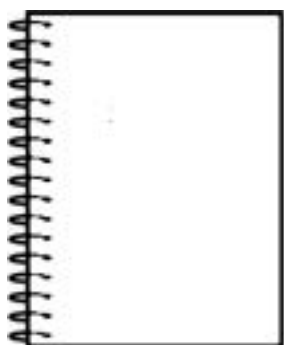

We recycle the old street lights.
