It will go for 5 years. It is from 2019 to 2024.

You may live

- with your family
- with your partner

- in a group home
- in a share home.

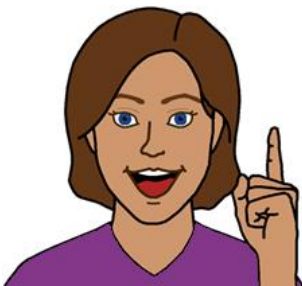

At the Royal Commission

We can talk about

- what is good
- what is bad

and

- ideas to fix the problems.

We will tell the Disability Royal Commission about problems for us. Like

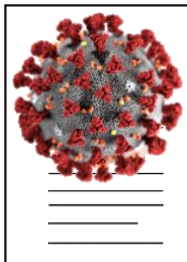

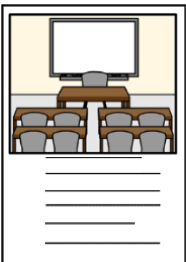

- rights
- violence
- money
- access.

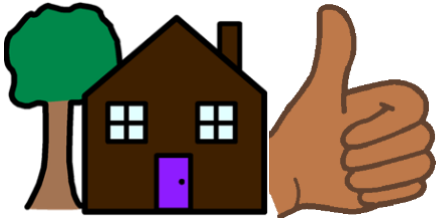

We write reports for each topic.

Our reports are about women and girls with disability Like

- you live in a group home
- at work
- at school
- COVID 19.

Each report will have our ideas on what needs to change. Like you need to live in a safe place.

The Disability Royal Commission will hear from lots of different people. They have meetings. They ask different people to tell their story too.

We may talk at some of the meetings.

You can tell your story too.
