There are some new rules to keep your child safe. Like the class room

- toys are cleaned a lot
- other things are cleaned. Like books are wiped.

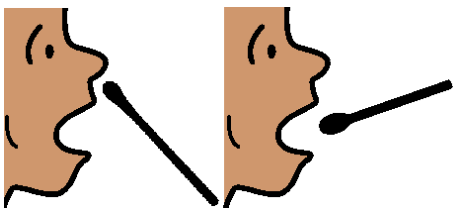

Teachers will take your child's temperature.

Every person over 12 must wear a face mask.

Any one who does **not** feel well
must stay home.

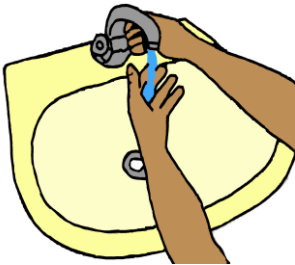

You must

- get a test for COVID - 19
- stay at home. You must **not** go out.

Wait to hear about your test.

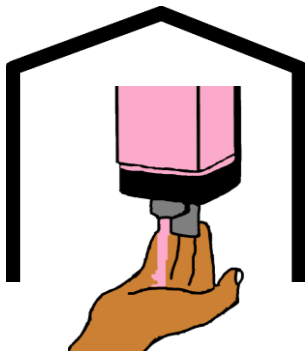

Talk to your child about how to be safe

Before you go to

- child care
- kinder
- school.

Wash your hands.

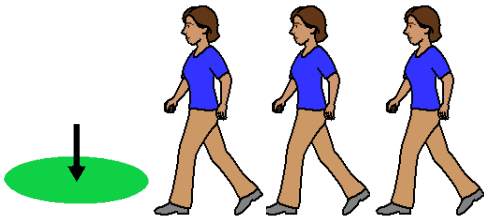

Use hand cleaner at the centre.

Every person over 12 must wear a face mask.

It is every time you leave home.

Like when you take your child to kinder.

Keep away from other people.

Stand 3 big steps away from them.

Cover your mouth when you cough.

Cough into your elbow like in this picture.

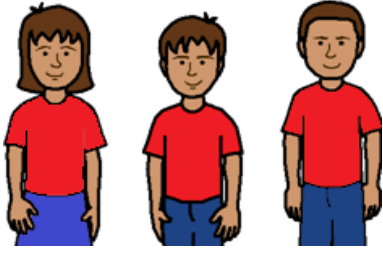

Use a tissue when you sneeze.

Put the tissue in the bin straight away.

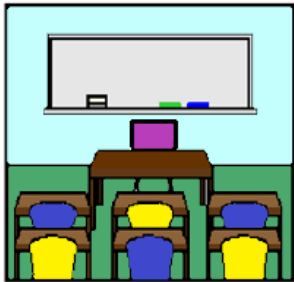

And

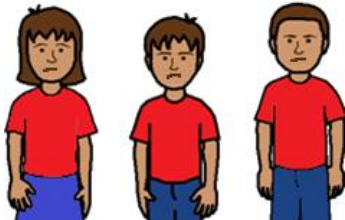

Wash your hands.
