

You need help now.

You have COVID 19.

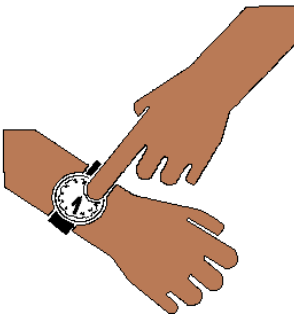

2024.

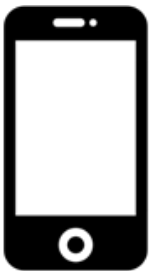

You have some of these things.

Or

A person you know has some of these things.

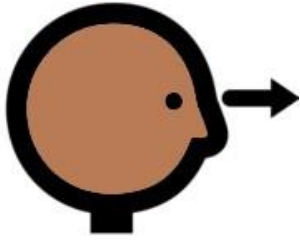

You need help **now**.

000

Call 000.

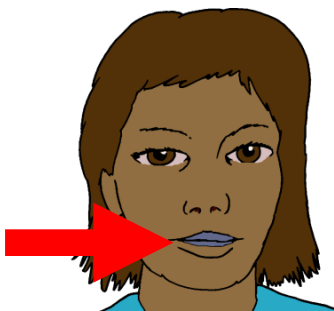

What to look for

It is hard to breathe.

Or

You can **not** breathe.

Your lips are blue.

Or

Your face is blue.

Your chest hurts. It is very bad.

Your chest may feel tight.

Like a heavy thing is on your chest.

You cough.

And

There is blood. It may come out of your mouth.

Your skin looks funny. Like it

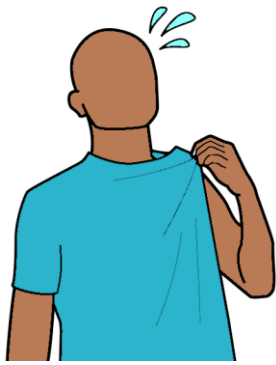

- looks very pale
- has blotches.

It may be in 1 place.

Or

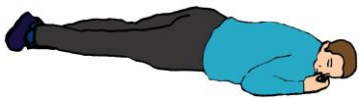

It may be all over your skin.

Your doctor may call it a rash.

You touch your skin. It feels

- cold
- a bit wet. Your doctor may call it clammy.

You faint. We may say you

- pass out
- black out.

You fall down. You are **not** awake.

It is hard to wake up. You can **not** think.

Like you do **not** know where you are.

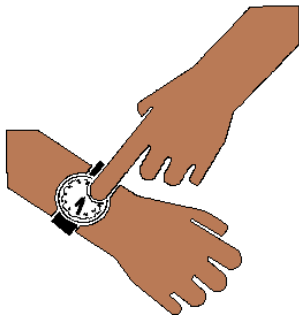

You do **not** pee.

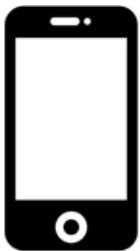

Or

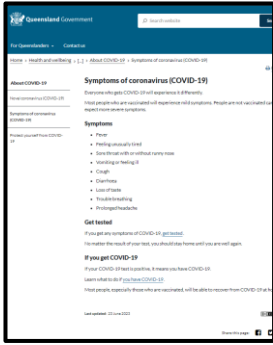

You pee only a little bit. Like 1 time a day.

You need help **now**.

000 Call 000.

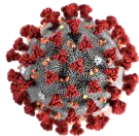

The information in this fact sheet is from

Testing positive for COVID-19.

Australian Government Department of Health and
Aged Care. 19 December 2023.
