You want to learn more

Go to the next page.

You may want a job. Like to be a

- builder
- hair dresser
- lawyer.

You need to learn how to do it.

There are 3 ways you can learn.

You can

- do a class to learn a job. Like at TAFE
- learn at work
- learn at uni.

You do classes. You learn a job.

We call it VET study.

You learn how to do things.

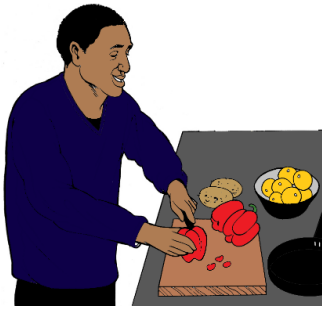

Like you want to be a cook.

You learn in a class room. It may be at

- TAFE
- your high school.

And

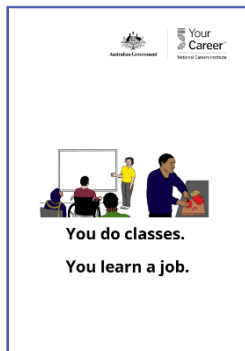

You learn how to do things.

Like how to cut up the food.

You are a student. You do **not** get paid.

You learn on the job

You may work for a

- builder
- car mechanic
- hair dresser.

You go to work.

Your boss shows you how to do things.

And

You go to class. Like 1 day a week.

You learn new things. It may be at TAFE.

You are a worker. You get paid.

You may be

- an apprentice
- a trainee.

You learn on the job. There are some classes.

You learn by study

There are lots of jobs you can study. Like

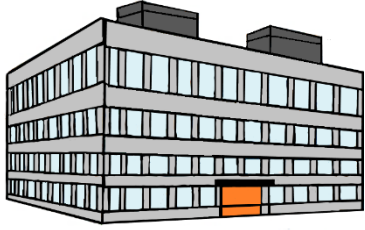

- to be a teacher
- to do art
- to be a lawyer.

Some jobs need a lot of study.

Like you want to be a doctor.

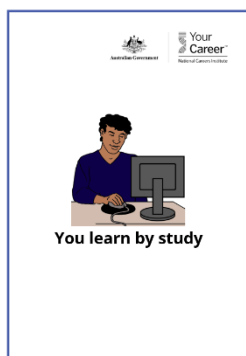

You study for 6 years.

You go to uni.

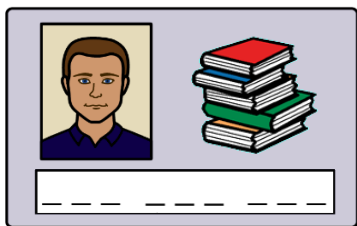

You are a student. You do **not** get paid.

Your student number

You finish school. You choose to learn more.

You need a student number.

We call it your USI.

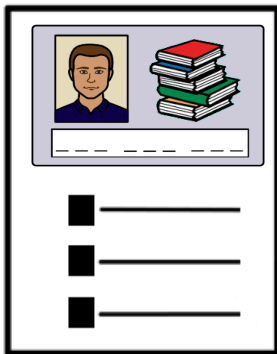

You use this number for all your study.

You may do more study. It may be in

- 5 years
- 10 years
- 20 years.

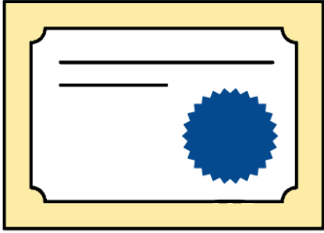

You use the same number.

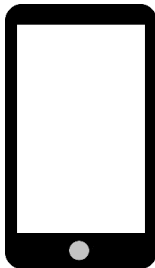

It has a list of all the study you do.

You need your USI at Centrelink.

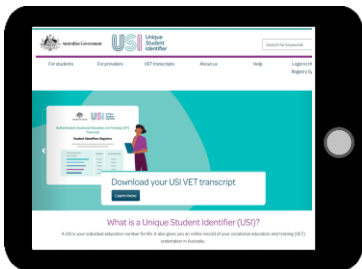

You need your USI at the end of your study.
It is to get your certificate.

You can find out more.
Call 1300 857 536.
It is the USI help line.

Or

Go to www.usi.gov.au.

You can

- get a USI
- get help to remember your USI
- see all your study.
