

**Mornington  
Peninsula** Shire

**Our plan.**

**For Mornington Peninsula.**

**2025 to 2029.**

We are Mornington Peninsula Shire Council.

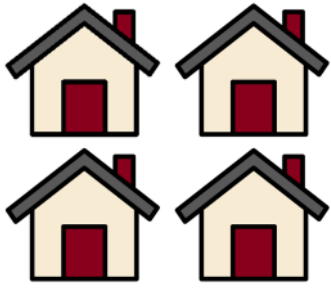

We thank the Bunurong people.

They are the Aboriginal people here.

You live here. You may live

- in a town
- near the beach
- on a farm.

We want the Peninsula to grow. Like there are

- more homes
- more shops
- more places you need. Like schools.

**And**

We need to care for our

- land
- water
- people
- animals.

## What we do

We do things you need. We

- empty your bins
- fix the roads
- cut the grass. Like at the park.

We help groups. Like a football club.

We may give them

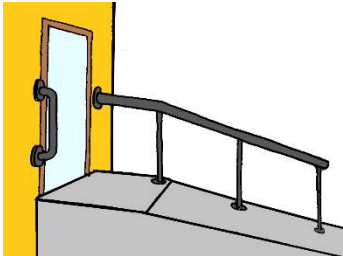

- money
- a place to use. Like a sports ground.

We ask for help.

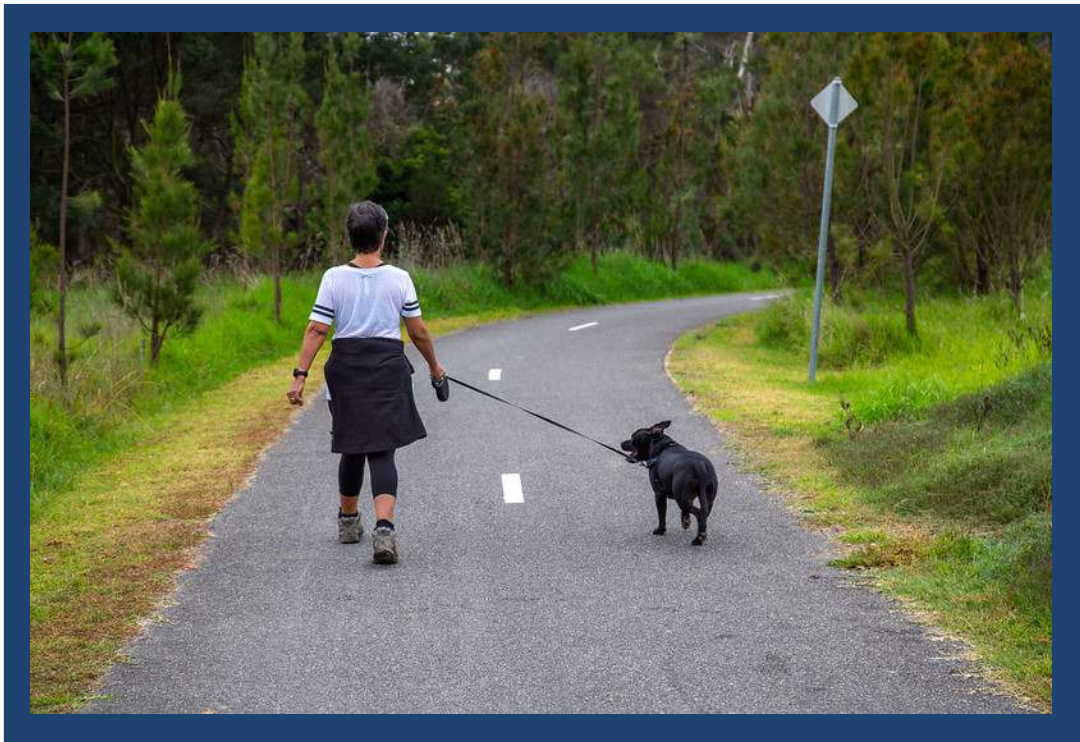

Like we want more buses on the Peninsula.

We ask the government.

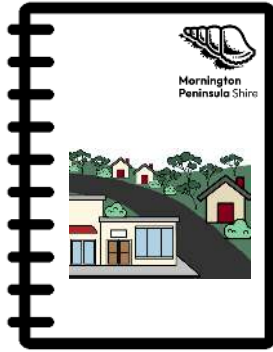

We check that places are safe to use. Like

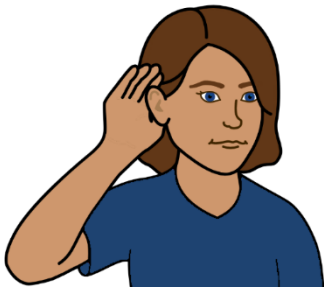

- there are ramps
- parks have good paths
- dogs are on leads.

You walk your dog on a lead.

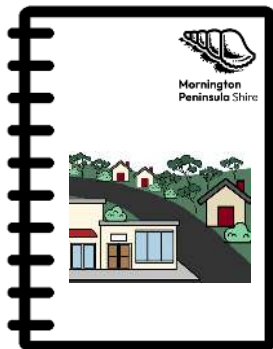

## Our plan

We listened to your ideas. We talked to

- children
- adults
- people more than 55 years old. Like
  - 60 years old
  - 75 years old.

## Then

We wrote this plan. It says what we will do.

## **We look after the Peninsula**

We call this Place.

We will look after

- the land
- the water
- the plants
- the animals.

We want more trees on the Peninsula.

We will plant more trees.

We want to make less rubbish.

We will help you recycle more things.

Like what can go in your yellow bin.

We want more people to use Council places.

Like our parks.

We will look after the parks.

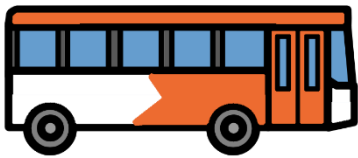

Like keep the parks clean.

You want to walk in the bush.

We will make the trails better.

You will have good paths.

We will look after our towns. We

- plan ways to get places. Like buses
- make the roads safe.

We need more homes.

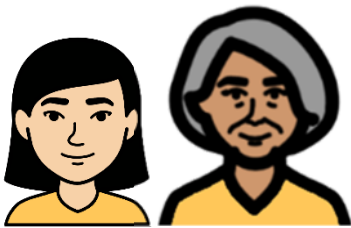

We will do the paper work fast.

We will help the builders.

It will help the Peninsula grow.

We want more jobs for you.

There will be people to help you

- find a job
- start a business. Like you open a shop.

We will make it easy for you.

They want more people to play.

They put on an event. It is to try the sport.

We let them use the park.

They may need people to help them.

We help them find people. Like volunteers.

We want more people to visit us.

We will tell people about the

- places to see

- things to do.

**We do a good job.**

We call this Performance.

You want us to be honest. Like we tell you

- how we choose what to do
- how much money we use.

**And**

We do what you need.

Like there is a hole in the road. We fix it fast.

We have a money plan.

We follow it.

We listen to your ideas.
